FROM THE PRINCIPAL

Dear Parents and Carers,

Sports Coaches and Team Managers

Thank you to all of our sports coaches and team managers. We are very lucky at NAPS to have such a large amount of support from parents, and as a result of this support, we are able to offer after school sport.

Please remember that coaches and team managers are giving up their time so our NAPS children can participate in sport. Any support you can provide them would be greatly appreciated. This may include being game steward, bringing oranges for half time, scoring, managing your own child's behaviour if required, or time keeping. It is also the responsibility of parents to transport their own children and ensure their child is collected on time from all after school sports activities.

Before and After School Supervision and Sport

Students need to be supervised by an adult both before and after school, to ensure their safety.

If students are in the school yard after 3:00pm, they need to be supervised by an adult. This is particularly important when our sporting teams are practising in the yard after school, as it can very quickly become unsafe, if unsupervised children run into a training match. Can parents please therefore ensure their children are not playing near teams that are training.

Thank you for your support.

Election

A big thank you to our Parents and Friends who are organising a school fundraiser barbecue and raffle at the election polling booth this Saturday. If you are able to help with the barbecue please add your name to the roster on the Parents and Friends board in the courtyard. Thank you to all of the parents who have already donated items for the raffle. All donations are greatly appreciated.

NAPLAN Online

We have been very proud of the way in which our children have worked through any connectivity issues with NAPLAN online. National test authorities have advised they regret any inconvenience this has caused schools and students and they have been working to rectify issues as quickly as possible. We have changed the times of some of the tests to help improve connection issues. The tests will continue until at least Wednesday of next week. Thank you for your support.

Kind regards,
Rebecca Pears – Principal
