FROM THE PRINCIPAL

Dear Parents and Carers,

Soccer

Congratulations to our year 6/7 boys who played in the soccer cup grand final on the evening of Friday the 5th of July. We played against Portside Primary and won! It was a very exciting game, especially as the final score was a draw and we had to play extra time. The boys played very well as a team and we are very proud of their achievement! A big thank you to Lee Parker and Cheryl Nayler who have coached and managed this team.

Pupil Free Day

A reminder that on Friday the 30th of August we have a school closure followed by our Partnership pupil free day on Monday the 2nd of September. On our Partnership pupil free day, staff will be working with other teachers from across our Partnership to moderate writing utilising the Brightpath tool, determine next teaching points and develop ways to provide feedback to students. This is a fantastic opportunity for staff to work with other teachers to ensure consistency and to improve our practice. We will be working with teachers from Prospect, Nailsworth and Prospect North Primary Schools. OSHC will be available but bookings are essential, please contact OSHC on 8267 5127.

BOOK WEEK

Book Week will be celebrated from Monday 19th of August until Friday 23rd of August. During this week, our assembly will be held on Wednesday the 21st of August at 9:00am. This assembly will involve some classes presenting book week assembly items and will be followed by our dress up parade around the local area. The leadership team are organising their costumes and are looking forward to the day! Thank you to all parents and caregivers, your support means we are able to provide these events for our students.

Nationally Consistent Collection of Data on School Students with Disability (NCCD)

NAPS will once again be collecting information for the NCCD. All schools are required to collect information about the numbers of students that they provide adjustments to under the Disability Discrimination Act (1992) and Disability Standards of Education. This data is used as the basis for national funding.

The NCCD involves the collection of;

- the number of students receiving adjustments to enable them to participate in education on the same basis as other students
- the level of adjustment provided to students
- student's type of disability if known

Under the model the definition of disability is broad and includes learning difficulties, health and mental health conditions.

If your child is identified for inclusion in the Collection, the required information will be included in this year's data collection.

If you have any questions about the data collection, please contact Rebecca Pears on 82671644. Further information can be found at: <http://www.education.gov.au/nationally-consistent-collection-data-school-studentsdisability>.

Nuts

A reminder that at our school there are many children with nut allergies. We therefore respectfully request that you do not send to school nuts of any kind, peanut paste, nutella or muesli bars containing nuts.

Enrolment For 2020

If you have a child due to commence school at NAPS for 2020, please see the front office staff to complete an Expression of Interest for Enrolment form due to the schools new capacity management plan.

Kind regards,
Rebecca Pears

FESTIVAL OF CHOIR INFORMATION TERM 4

We have a busy term ahead of us with preparations for our performance at the Festival Theatre at the end of the term. Please note we have been allocated a weekend performance on **Saturday 14th September**. **Students must be available from 1.20pm – 4.35pm on the day**. I understand some students may have other commitments on the weekends, however I ask that you make the concert a priority for this one day as this is the equivalent of a Grand Final for the choir. Please let me know well in advance if you think there may be a clash with something else.

In the lead up to the concert we will be having two big rehearsals. The first will be at the Magic Millions Pavilion in Morphettville on Friday 23rd August. The rehearsal will be from 9.15am – 12.00pm. We will need to catch a bus from school at 8.30am and will return to school by 1.00pm.

Our second rehearsal is at the Festival Theatre on Thursday 12th August from 1.05pm – 3.45pm. For this rehearsal we will be walking to and from the Theatre leaving school at 12.00pm and returning by 4.30pm. For both of these rehearsals we will need 3 registered parent helpers. Please let me know if you are available on either of these days.

More information about ticketing will be coming as well as further details on excursions closer to the dates of the rehearsals and performance. Please mark the dates above in your calendar so there are no surprises later in the term.
