FROM THE PRINCIPAL

Dear Parents and Carers,

Book Week

Book Week will be celebrated during week 5 (Monday 19th of August until Friday 23rd of August). During this week our assembly will be held on Wednesday 21st of August. This assembly will involve some children show casing some Book Week assembly items and will be followed by our Book Week parade around the local area. This year's theme is 'Reading is my Secret Power'. Leadership are getting their costumes ready now. We look forward to seeing all the wonderful costumes for the parade.

Thank you to parents and caregivers, your support means we are able to provide these events for the children.

Enrolments 2020

To ensure we can plan effectively, it is really important that we are as accurate as possible with expected numbers of students for 2020. Therefore, if your child will be leaving NAPS this year can you please make sure our front office is aware of this. You can notify us via email to lorraine.garfitt159@schools.sa.edu.au.

If you have a child due to commence school at NAPS in 2020 please see the front office staff to complete an expression of interest form. Priority consideration will be given to applications for enrolment from parents of prospective Reception students if they have been living inside the school zone prior to week 3 term 3 and whose application has been received by this date – tomorrow, Friday 9th August.

Safety

Child safety is very important to us, please make sure you are travelling very slowly when near our school particularly near our school crossing on Gover St. We are becoming increasingly concerned about drivers travelling too fast or becoming distracted whilst trying to park. Children

utilising the crossing are still developing their road safety skills and therefore it is really important that all drivers are very cautious when travelling near the school grounds.

Writing Assessments

One of the main goals on our Site Improvement Plan is to improve student achievement in writing, particularly in relation to higher band achievement. During the next few weeks teachers will be working together to moderate a sample of both persuasive and narrative texts from every student utilising the Brightpath program.

In term 1, teachers moderated both a narrative and a persuasive text and we are looking forward to comparing the samples to see growth made. These samples are analysed to determine students' individual teaching points and to set writing goals.

Calling for volunteers – we need your help!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires an additional volunteer School Banking Co-ordinator to facilitate the banking and distribution of School Banking rewards. This only takes a small amount of your time one morning a week and the Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they develop vital saving

skills and also help our school with fundraising.

Currently, School Banking day is Tuesday.

If you are interested in volunteering for this great program, please contact the front office.

After the runaway success of last year's event, the invitation is open to all Parents and Friends of North Adelaide Primary School to gather for a night at the Prohibition Distillery & Tasting Room in Adelaide.

Every ticket includes a sensational 5 course menu of rustic Mediterranean fusion food, including sliders, arrancini, noodle boxes and roaming desserts to delight, plus a donation to the school.

You can also select a guided Tasting Masterclass with NAPS parent and PLC Distillery owner Adam Carpenter. Your Flight includes a selection of gins and garnishes for your own G&T creations with loads of gin education and tour of the new Gilbert Street distillery.

Enjoy all-night drink specials including PLC signature G&Ts and cocktails or take home a bottle of PLC Gin at our special F&F price. \$10 from each bottle sale and donations from G&Ts and Cocktails will go back to NAPS.
