FROM THE PRINCIPAL

Dear Parents & Caregivers,

COVID-19 Update

We are still getting a few cases of COVID in some classes. Please ensure that if your child tests positive to COVID you notify the school as soon as possible and follow SA Health guidelines. Students should stay home for a minimum of 5 days and only return to school when they are symptom free (i.e. no runny nose, sore throat, cough or fever). Broadcasts will go out as required notifying parents of the number of cases and in which class.

Thank you to those parents who have nominated to join the Parent and Friends Committee. The Committee met a few weeks ago and are already planning some great events this year for our students to enjoy and some events for parents and caregivers to be able to connect with each other.

The annual Gin Fundraising event will be held on the evening of Saturday the 24th of June at Prohibition Liquor Company, 22 Gilbert Street Adelaide. This is a fun and entertaining evening for parents and caregivers to attend. Further details will be provided closer to the date.

Attendance

As outlined in our attendance policy, we believe that learning lost due to absenteeism or lateness can never be adequately replaced. So please make sure your child has regular attendance and is on time for school (a student is deemed late if they arrive after 8:50am).

If your child is to be absent you need to ensure the school is notified in relation to the reason for the absence. We understand that absences may be higher than usual due to COVID related matters. Notifications can be made through Skoolbag, calling the office on 8267 1644, or by email to dl.0179.admin@schools.sa.edu.au. Notification can also be sent to the classroom teacher via their preferred method

of communication. Thank you for your support.

M&S School Fees

Thank you to all families who have now paid their school fees. Statements will be sent out shortly to families with payments still pending. If you are on a payment plan, you will still receive a statement. If you have applied for the School Card Grant, please await your outcome before making any payment to the school for fees. All excursions/sporting events must be paid via EdSmart at time of giving approval for your child to participate/attend. Please do this asap to receiving the email to prevent follow up from the School Administrative Staff.

To pay your school fees via the Qkr App, please refer to the Total amount on your Statement that has been posted home. Please do not pay your school fees if you intend to apply for the School Card Grant, await your outcome first.

To pay via Qkr – go to “**School Payments**” / “**\$ Statement Balance Outstanding**” and enter the amount on your statement and proceed through the checkout.

If you would like to pay your School Fees in instalments this year, please send an email to the Business Manager at dl.0179.finance@schools.sa.edu.au including your child/ren's names and your intended payment plan. Please be aware all school fees using this system must be paid prior to the end of Term 3, 2023 (29 September 2023).

Thank you to the families who have emailed through their interest in a payment plan for the M&S Fees. I have responded to all emails received so far, if you haven't had a reply please call the school on 8267 1644 ext 3 so I can investigate further.

School Card – NOW OPEN for 2023

[SA.GOV.AU - School Card scheme \(www.sa.gov.au\)](http://SA.GOV.AU - School Card scheme (www.sa.gov.au))

Families who may qualify for the School Card Grant in 2023 should complete Form A – Income Audit (Combined Gross Family Income starting at \$66,412.00 for one child) or Form B – Self Employed, Hardship and Change in Circumstances.

You are now able to select the form you would like to apply your School Card Grant through and follow the prompts. You can save the form, and return to complete it at another time, by clicking on the save button. All processed applications automatically come through to the school. You will be notified by mail from School Card on your outcome, if you are successful there is nothing further you need to do. If you are asked for more information, please do so in a timely manner or you risk your application being rejected.

Again, please do not pay your School Fees if you wish to apply for the School Card Grant for 2023.

Qkr App

*All families should have now reset their class information via Qkr for their child/rens current year class and teacher. **This is very important** if you are ordering school lunches for your child/ren via Qkr as we still have a few lunches going to the wrong class and it takes a long time to get these to the correct class, along with stress to the student/s who haven't received their lunch/es.*

From now on Qkr will only be used for ordering School lunches, 2nd Hand Uniform (contact the Front Office prior to payment for the availability of items) and paying your School M&S Fees invoiced at the beginning of the year, or when your child starts at NAPS.

EdSmart

EdSmart is up and running and working very smooth from the Schools end. If you are having any issues paying/completing the forms, please contact the Front Office and we will endeavour to help get them sorted. All School excursions, Choir, camps and sporting events will now be paid direct through EdSmart when giving consent online for your child/ren to attend activities. You will no longer find any excursions etc. on Qkr to make payment – we have streamlined the process to be all done at once through EdSmart.

Please note that EdSmart does not retain your credit card details. If you have any queries, please contact the Front Office.

When completing your EdSmart form it is a 2 step process:

1. Pay first and go to the next screen – do not exit the form.
Do not pay if you are not giving permission!
2. Complete form with Permission Given/Not Given, further details as indicated and then "Submit".

If you have any issues, please contact the Front Office so we can give further assistance.

Please remember not to send cash to the Front Office. Thank you for your understanding.

Thank you
Michelle Shearing - Business Manager

FROM THE ADMIN TEAM

Enrolments 2024

If you have a child due to commence school at NAPS in 2024 please refer to the [school website](#) for the required documentation and forward this to the front office. You will then be sent a Registration of Interest form which will need to be returned as soon as possible. Priority consideration will be given to applications from parents of prospective Reception students if they are living inside the school zone prior to Week 3 Term 3, and whose application has been received by Monday 7th of August 2023.

Even if you already have a student attending NAPS, you will need to produce the required documentation again – this is required for each and every enrolment to ensure you still reside within the school zone.

Absences/Exemptions from School

If you intend to go away for **5 or more school days** it is a Department for Education requirement that you seek approval from the Principal. Please ask the front office for an Exemption Form which, once approved and signed, you will receive a copy via email. The original is kept on file and the absence is recorded on the roll correctly. This form is also available on the [school website](#).

If approval is not sought, your child will be marked as "Absent – Unexplained" which we are then required to follow up with you and you will need to complete the form in retrospect. As this can be a time consuming task, it is appreciated if you seek approval beforehand.

Student Appointments – Pick Up / Drop Off

If your child has an appointment during the school day, or you are picking them up early for any reason, please let the classroom teacher know and they will send them to the office for you to collect at the designated time. Please do not enter the school grounds or classrooms – come to the office and they will meet you there.

If students are returning to school, please ensure they come back into the office to collect a "Return to School" slip to give to their teacher.

Visitor Sign In / Sign Out

If you have been invited into the school during school hours (8:40am to 3:00pm), you are required to sign in (and out) at the front office before entering the school grounds. This is a WHS requirement so that we can account for everyone in the event of an emergency.

This does not apply during regular drop off or pick up times or when attending assemblies or after school sports. If there is a whole class event where all parents have been invited there will be a sign in sheet in the classroom to alleviate congestion in the office.

Lost Property

PLEASE ensure that all items sent to school are clearly labelled with your child's name. This will help to return the item to them if it is found. Don't forget to change names on second hand items, too.

We have had a number of personal items handed into the office this term. Do they belong to you?

Thank you
Kathy & Natalie

Year 5/6s Cemetery Excursion

By Anastasi, Neath and Connor (from Room 6)

On Thursday the 23rd of February, the year 5/6 classes went to the West Terrace Cemetery for an excursion. An hour tour was presented by Susie to discover and learn the intriguing history of fellow Australians. Larissa's class went first, Mrs G went to the Cemetery second and Mrs White's class went last, and we got to explore the wonders of the past lives of the country down under. The year 5/6s learnt about all the past traditions and facts that Australia has to offer.

Some of the famous names that can be found in the West Terrace Cemetery are:

- George William Francis the designer of the Adelaide Botanic Gardens
- Mary and Roberts Thomas who ran the first printing press in Adelaide and who wrote poems describing the life of the first settlers,
- Elizabeth Beare who was the first European settler to land in South Australia.

All the three year 5/6 classes had a spectacular time at the cemetery while also gaining a lot more knowledge about the past.

Special Thanks to Angelina (Anastasi's Mum) and Malin (Elsa's Mum) who came

along with Larissa's class; Blythe (Tait's Mum), Sam (Olive's Mum) who helped out Ms White's class; and Jordan (Ruby's Mum), Mary (Nicholas F's Grandmother) and Michelle (Nicholas C's Mum) who supported Mrs G' class!

Derek Abbott Visit

On the 14th of March 2023, NAPS Year 5 & 6 students were enlightened about the 'Somerton Man' mystery by none other than Professor Derek Abbott from the University of Adelaide. He undertook the study of DNA and genetic genealogy, following up a range of hypotheses for over 15 years in order to determine who he believes the unidentified man actually is. Abbott was able to provide interesting new information and further elaborate on subjects described by internet sources, such as Wikipedia, (some of which was visual, showing images unpublished to the web.)

Overall, the visit was very informative and fascinating to all the students and teachers. Some of our NAPS' student leaders were lucky enough to have a picture taken with the British-Australian electrical engineer, genealogist and physicist.
